Hello,

We have received the warning letter from your company today regarding the request to cease and desist the act of infringement of the utility model right.

The email below provides our response to the letter, so please refer to it in your work.

+++++++ Below ++++++

- 1) We wish for continuous success of your company.
- 2) We conducted a detailed review of the warning letter sent by your company (Utility Model Registration No. 20-0472435). As result:
- 3) In our company's product, "a recessed card storage" is not in the second body as claimed in Claim 6.
- 4) In addition, a product with a card storage with a sliding case has already been commercialized prior to November 2013 (*see* the attached image).
- 5) Accordingly, please note that we have not infringed your utility model right. THE END.
